Also in attendance was alternate John O'Dell, who was made a voting member for the evening. Absent was Ray Zetye. WEO Michael Halloran sat at the table also.

New Business;

A probable wetlands violation was presented to the Agency which is taking place at 337 Colebrook River Rd. WEO Halloran described briefly the ongoing zoning issue at Fletcher Smith and Pete Hodgkinson's property. When a zoning site visit was conducted on October 25, it was quite apparent that there were several wetlands violations ongoing. After much discussion, it was unanimously decided to send a cease and desist letter to the property owners. A show/cause hearing will be scheduled for Thursday, November 30, 2017 at 7pm.

The IWO report was reviewed (see attached). A notification of Timber Harvest was presented by Mel Harder for a harvest on the Biagini property on Stillman Hill Rd. It was noted that no wetlands were to be worked in and that Mr. Harder will contact the wetlands office when work begins.

A schedule of meetings for 2018 was agreed to. The meetings will continue to be held on the third Tuesday of each month.

There being no other business, Chip made a motion, seconded by Todd, to close the meeting. The vote to approve was unanimous and the meeting was closed at 8:00 pm.

Michael J. Halloran, WEO
