- New Members: None

**OLD BUSINESS:**

- The rescue tool has arrived. Firematic will be coming out to provide training before being put into service.
- At the last joint membership meeting it was voted on to purchase MSA's air packs instead of Scott's. Craig Carfiro was going to bring the quote of purchasing new packs to the selectman's office. The quote was a discounted price only good until November and then it will be going back up. Tom was going to bring this to the attention of the Board of Finance.
- If you need any gear please let an officer know. Forge was going to be exploring different vendors for pricing.
- Dave Hotchkiss and Craig Carfiro picked out and ordered new lights to be installed in the fire house.

**NEW BUSINESS:**

- We will be ordering MSA packs, as noted under old business.
- Flu shots will be available at Forge Fire house. This will be available to members and their families. Please bring photo identification, your insurance card, and let Todd Hiller know if you are interested.
- Trail Riders advised us to still apply for their grant. Even though due to COVID we were unable to help out with their dinner, funds are still available. Ben Bartlett will be looking more into this.
