OLD BUSINESS:

- The fire department tried out three battery powered rescue tools (TNT, Genesis, Hurst). The committee will be meeting again sometime next week to look at the estimates for the 3 tools bring a recommendation to the membership.
- We applied for the VFA grant for the SCBA packs. We found out more information regarding the Scott's. The newer model of Scott's also will not connect to other models of buddy breathers. This is something that we must consider when replacing the SBCA packs.
- Berkshire Trail Riders estimates 100 people outside for their event.
- We discussed hosting a lobster drive thru dinner. We will table this discussion until August monthly meeting. (Valley Fish in Bloomfield CT, has known to have good quality lobsters).
