Colebrook Center Fire House**

- Meeting called to order: 7:10 PM
- Secretary's report read, accepted as read
- Treasurers report read, accepted as read
- Communications: None
- Committee reports: None
- OLD BUSINESS:
  - 2016 had 67 calls, 47 fire related, 17 MVA's, 3 Hazmat, 1 public assist, 1 miscellaneous
  - Tanker 32 everything set, Look great good work by all who helped.
  - New Engine 1, is ordered, should be finished by February, will see it in March. Need to decide what to do with old Engine 1. Motion made to create a committee to keep the engine, and decide what its purpose will be. Members of Committee: Scott Thibault, Garry D'darrio, Freeman McCaw, Devan McCaw, Hannah McCaw, Benjamin Bartlett, Jon Grey.
  - Skating Party-Saturday January 28<sup>th</sup>. Rain date of Feb. 4
  - Last year we where able to see the turbin. Low security in that area, the gate is locked. If there is a call with that one house up there, cut the lock or take down the fence. Norfolk has been advised as well. Ropes team wants to go back up there for more training (Marc Johnson). If it catches fire no one goes in area, our job is to block off the surrounding area.
  - Physicals and fit testing is a big thing. Make sure you get them done, interior firefighters must have. CDL personal make sure you get them
  - Certain requirements are made to be active interior firefighters.
  - Worlds fair, smoke trailer is all set for this year.
  - Picnic date, Sunday might be a better idea. August 27<sup>th</sup> For both companies.
  - Letter from Lee thanking both departments for donation to Christmas gifts from the town.
  - All members present took the Emergency Oath.
  - To be FF1 interior clean shaving and has to have all the minimum requirements.
