COLEBROOKTOWN CLERK

Attached is my proposed Suspense List for consideration and approval by the Board of Finance for the current fiscal year. Once a year I am required by State Statute (12-165) to submit such a list which covers Personal Property and Motor Vehicles. The items transferred to suspense are removed from consideration as assets of the town but are not abated as a tax liability of the person against whom it was levied. I will continue to report them to DMV should they need to re-register a motor vehicle, they will first have to pay all their motor vehicle tax to get a release. Many of these motor vehicle accounts are currently with a collection agency.

The total for Motor Vehicle is \$1,092.56

The total for Personal Property is \$2,191.92

Please review this list and if you should have any questions please see me.
