### **Agenda Item 5: Old Business 7:00 p.m. Public Hearing on Application #23-001**

#### **PZC# 23-001 Special Exception Food Truck / Hot Dog Cart**

Chris and Jean Cogliano  
312 Colebrook River Road

Legal notice for application #23-001 was read by Marth Neal.

Chris Cogliano presented application #23-001. Applicant is requesting approval to operate a Food Truck / Hot Dog Cart at 312 Colebrook River Road.

Annette Wilkiera of 315 Colebrook River Road was concerned about traffic on the road, cars parking on her lawn with people walking across the street, cars turning around in her driveway,

lack of site visibility at proposed location, safety risk for Colebrook residents, and increased accidents at the Eno Hill intersection.

Chip Woodman of 4 Eno Hill Road was concerned about the traffic on Colebrook River Rd, yearly accidents in that area on Colebrook River Road, obscured vision at Eno Hill intersection, lack of parking for large trucks, overall safety, and Wetlands concern at the back of the applicant's property.

Trish Woodman of 4 Eno Hill Road was concerned with people pulling in and out of the applicant's property without access to a turnaround on the property.

Tim Brainard of 317 Colebrook River Road is concerned that his property is an easy turnaround area or an additional area to park and walk to the applicant's property.

Letter submitted by Paul and Irene MacBeth of 309 Colebrook River Rd. Letter was read into the record by Marth Neal and is on file with the application.

Will Sweeney, board member, asked applicant if someone from the DOT has been out to inspect the property. The applicant's response was no. Concern was also raised about the site lines with Eno Hill and the Fire Department. Suggests that the applicant come back with an A2 survey, as the application looks to be incomplete at this time.

Kevin Robichaud, board member, suggested the applicant check with the DOT to see if it is feasible. Large trucks pulling off is a concern. Recommends that the applicant contact the DOT and then come back to P&Z.

Jennifer LaRocque, board member, asked for confirmation that his property is in a business zone. Planned operational hours were asked for. The applicant stated most likely Sat and Sun from 12-5 or 12-6, during the warmer months.

Martha Neal noted that the Inland and Wetlands commission has not yet approved this application. Marth questioned if the Farmington Valley Health District had yet been contacted. The applicant's response was no. Martha also inquired if the applicant was aware of the licensing conditions. The applicant's response was that he would move forward with those licenses after P&Z approval.

John Fernandez, board member, recommended adjourning for 30 days until the applicant can get additional information from the DOT and Farmington Valley Health District.

Kevin Robichaud made a motion to adjourn the public hearing and to resume it at the next regularly scheduled Planning and Zoning commission meeting on Monday July 10<sup>th</sup>, 2023, at 7pm. John Fernandez seconded the motion; the motion was unanimously accepted.
