

Colebrook Conservation Committee Meeting April 9, 2024

Members present: Joyce Hemingson, Linda Bickford, Kim Janak, Elizabeth Norman (arrived 7:11 p.m.) Members absent: Shayne Young, Edna Travis, Jane McAndrew

Called to order 7:06 p.m

Minutes approved January 17, 2024. Motion to approve by Linda, 2nd by Joyce. Motion passed

Officers and Committee Report: N/A

New Business: N/A

Old Business:

- Earth Day Clean up: April 27, 2024. Set up discussion. Meet by 8:50 for back pick up town hall.
- Linda shared Pollinator Garden sign for chain link fence behind town hall. Linda to give sign to Shayne to hang up. Joyce to contact Northwest Conservation District for local plants to fill in spots in Pollinator Garden. Kim and Joyce to weed garden.
- Cooper Trail: chainsaw work needed
- Pisgah Mountain Road review meeting: history discussed about maintenance of road. Edna Travis set up meeting with Brad Bremer, Joyce Hemingson, Linda Bickford, Bill Jasmin, Duncan Wilber, and Abrah Carroll to discuss future of road.
- Natural Resources Inventory update: Steve Messier found over 160 species of lichens, Lucas Keras (teen classifying moths) been posting findings on iNaturalist. Alesia Maltz will write historical resources section. Goal for all reports to be submitted by mid-late July so Planning and Zoning can approve report. Last report on town website done 2014. Elizabeth mentioned possible ways to launch report to community.
- Scenic view mapping: Joyce to send out topo map for us to mark up.
- Photo contest: Kim shared posters made to elicit interest in sharing photos for NRI. Input given by board.
