Brainstormed possibly having a BBQ at the pond, Yard Game Day, or Amazing Race. We will come back to these ideas next month. Ryan Farrell will also be looking to have a Fall Basketball Clinic again similar to our spring one. Thinking about asking the Lions Club for help with the new backboards and rims since we are looking to keep these clinics in town. One backboard does not have a standard bracket. Talked about finding someone who may be able to weld together an adapter for it. We can't find a backboard with that style bracket so we are trying to find a solution without having to replace the entire unit.

12. Adjournment- Motion to Adjourn by Chris Waring. 2<sup>nd</sup> by Katie Martin. All in favor. Motion passed.
