COLEBROOK CONSERVATION COMMISSION

MISSION STATEMENT

The Conservation Commission shall promote the preservation and judicious management of natural resources within the Town of Colebrook, consistent with informed and responsible growth and preservation of the quality of life for all residents, in a manner consistent with Section 7-131a of the Connecticut General Statutes.

GOALS

The goals of the commission shall include but not be limited to:

- planning, promoting and implementing strategies to assist the town planners and educate the residents;
- developing and maintaining an index of all open areas;
- conducting research into utilization and possible utilization of land areas of the Town of Colebrook;
- providing opportunities to share ideas and information with all interested residents; and
- working with and making recommendations to official and unofficial bodies organized for similar purposes.
- protecting and improving the aesthetic attributes which contribute to making Colebrook beautiful and unique
