1 Meeting called to order at 6:35 pm. Alternate Chris Gray seated for Gomez , motion by Lossin, 2<sup>nd</sup> by Zygmunt, passed unanimously.

2 Agenda review Motion by Gray to add Jan 21 minute review to agenda, 2<sup>nd</sup> Wilber passed unanimously

3 Discussion of Selectmen's plans for conversion of Pisgah Road to a walking trail and remaining environmental issues associated with previous road grading/maintenance of drainage ditches and cross culvert. Source documents were also referenced (T2 study). The agency members had questions as to why the other two maintenance options were not discussed at the June informational hearing by the selectman. Further information will be needed and Wilber said he would keep the group informed as plans trickle out.

4 Duncan Wilber pond maintenance application. Wilber recused himself, Zygmunt seated as chairman. Wilber's plan consisted of removal of town encroached cross culvert to property line, rip rapping of outflow area, placement of drain valve and fire department dry hydrant on the beech hill road frontage. Dug silt to be stockpiled on site or moved across street depending on conditions. Should there be a need to pump, it will be either onsite or into a dewatering container (to be determined). Lossin made motion to approve, seconded by Gray, passed unanimously.
