2. The minutes of the September 25, 2025 meeting were unanimously approved as written.
3. Discussion of Public Works safety issues/inspections. DPW reported the new eye wash station is in operation. Also discussed the Deer Hill Rd. speed limit signs again. They are to be placed in the Spring. The need for new DPW radios for the trucks and equipment was discussed as a safety issue to crews out on the road in no service areas. Bill Jasmin will get quotes and present to the CIP committee for next year.
